The Marjorie Moree Keith Memorial Garden patio located at The Stewart House

A beautiful red-brick garden patio is part of the lovely landscape of The Stewart House, birthplace of Kappa Kappa Gamma Fraternity. The Stewart House was the home of founding member Minnie Stewart and is now listed on the National Register of Historical Places. The Stewart House Committee works to maintain and restore the House to preserve our historic Kappa heritage and establish a place of remembrance and renewal for future generations of Kappa Kappa Gamma.

We encourage you to remember The Stewart House in your Kappa philanthropy. Please help to preserve and endow this beautiful historical Kappa home and become a permanent part of Kappa history by purchasing an engraved brick to be placed in the Marjorie Moree Keith Memorial Garden Patio.*

**Marjorie Moree Keith, Gamma Alpha, was a dedicated and outstanding alumna who served on the Fraternity Council, Fraternity committees and the Minnie Stewart Foundation Board.*
